CITY OF COLLINSVILLE PRIMED FOR SPORTS COMPLEX

Collinsville, Illinois

The city of Collinsville is excited to announce the next phase of the Collinsville Sports Complex Redevelopment, strategically situated a quarter mile from I-255 on Collinsville Road. Sports Facility Advisory (SFA) was enlisted to conduct a comprehensive feasibility study proforma for the project. This endeavor builds upon strategic insights of the Great Streets initiative on St. Louis Road and Parks Master Plan, both of which envision the expansion and redesign of the Sports Complex.

“The redevelopment of the Sports Complex into a tournament level facility will draw tournament revenue on the weekends and positively impact our hotels, food and beverage establishments, and other local businesses,” said Parks and Recreation Director Kimberly Caughran. “The redevelopment will also provide our Collinsville residents with improved facilities to play on throughout the week. It’s an excellent opportunity for Collinsville and a great utilization of our location and assets.”
